Prep C- Miss Crowley epcro0@eq.edu.au

Prep C- Mrs Wells kwell92@eq.edu.au

Prep K- Mrs Knayer dknay1@eq.edu.au

Prep O- Miss O'Brien sxobr6@eq.edu.au

Aides- Miss Audrey, Miss Collette, Miss Danielle,
Miss Jahna, Miss Georgie, Miss Karen

OTHER LEARNING AREAS

HASS This semester, students will identify, represent and describe the features of familiar places in their lives and suggest ways to care for their own specific place.

The Arts- (Miss Jess McDonald) This term in Performing Arts, students will be exposed to content relevant to Music, Dance, and Drama. They will participate in singing and playing musical instruments, dancing and moving their bodies, and acting and performing their favourite stories! Classes will continue preparing for the Roma and District Eisteddfod, and the Primary Christmas Concert later in the term.

Media Arts- (Mrs Kate Crawford) This semester, students will explore characters and settings in media artworks inspired by a family story.

PE- Animal Dance (Miss Aggie Dalton)

Students perform fundamental movement skills to music. They explore the elements of movement and describe how their body responds to movement in a performance combining the elements of movement.

Health- Unit 3 I am growing and changing (Miss Aggie Dalton)

Students explore how their bodies are growing and developing, and identify the actions that will keep them healthy, such as diet, hygiene and physical activity.

- **Monday 11th November: Remembrance Day**
- **Wednesday 11th December: Christmas Concert**
- **Friday 13th December: Last day of Term**

ENGLISH

Students will read, view and comprehend an imaginative text. They will also create a short, written text to retell a familiar story. We will be learning the structure of a narrative story, through the exploration of popular fairytales.

At the end of the unit, children will create a short, written retell of a fairytale.

MATHEMATICS

Students will continue to build on their knowledge of numbers to 20. They will connect number names, numerals and quantities up to 10. Students will develop the skill to count to and from 20.

SCIENCE

Students will describe properties and behaviour of familiar objects with a focus on how objects move. They will share and reflect on observations and ask questions about familiar objects.

LIBRARY BORROWING

All Prep students will complete Library borrowing on MONDAYS. Please ensure all books are returned on FRIDAY.
