

ACADEMIC ACHIEVEMENT
WELLBEING AND ENGAGEMENT
CULTURE AND INCLUSION

TERM TWO 2026

ENGLISH

Students will take part in shared reading to explore a range of non-fiction books. Students will learn about a different animal each fortnight and write about its appearance, diet, and habitat. Students will also read, view and comprehend simple informative texts.

MATHEMATICS

Students are developing their understandings of numbers up to 120 and beyond. They will demonstrate how to partition one- and two-digit numbers and solve addition and subtraction problems of numbers to 20.

LIBRARY BORROWING

All Year 1 students will complete Library borrowing on Wednesday's. Please ensure all books are returned on Tuesday.

HOMEWORK

Students are to read their decodable passage, daily. In addition, adults are encouraged to read a book of interest to their child. Students will also receive a Homework booklet with revision concepts. Please return homework each Friday.

CURRICULUM SNAPSHOT

OUR YEAR ONE TEAM

1C: Emma Crowley - epcro0@eq.edu.au
1H: Louise Harland - lharl43@eq.edu.au
1M: Lucia Massingham - lgello@eq.edu.au

OTHER LEARNING AREAS

HASS:

This semester, students will identify, describe and sequence personal events. They will also describe continuities and changes regarding aspects of daily life.

The Arts - Music:

Students will create a short composition in response to the song 'Look out the Window'. They will write a sentence responding what they imagine they can see out the window. Students will then incorporate rhythm patterns to suit the structure of the sentence, body percussion, dynamics and high and low patterns to accompany the response.

Science with Mrs Dallas McGregor:

Students learn the basic needs of plants and animals—air, water, food, and shelter—and how different places meet these needs.

1C: Friday 1H: Friday 1M: Tuesday

Health and Physical Education with Miss Aggie Dalton:

This semester in HPE students will be focusing on the topic of identity. Students will look at their own personal qualities and compare similarities and differences with others. They will develop an awareness of their emotions and emotional responses. Through storytelling and active play, students will practise skills and strategies to manage emotions and develop respectful relationships.

1C: Tuesday 1H: Friday 1M: Friday

Media Arts with Mrs Kate Crawford:

Students explore digital systems, data representation, and algorithms through hands-on use of mTiny robots. Over the semester, they develop foundational digital technologies skills and apply them in a culminating project where they design a street map and program mTiny to deliver mail.

1C: Friday 1H: Tuesday 1M: Friday
