

**ACADEMIC ACHIEVEMENT
WELLBEING AND ENGAGEMENT
CULTURE AND INCLUSION**

ENGLISH

Students to read, view and comprehend simple information texts. They will also create a written and multimodal information text.

MATHEMATICS

Students will be using calendars to explore dates, months and seasons. Students will also be further exploring counting, multiplying and dividing numbers. They will also be looking at shapes and objects and how to order them with informal measurements.

SCIENCE

Students will be learning to describe and represent the changes to a living thing in life stages. As well as comparing the life stages of two different living things.

LIBRARY BORROWING

2N THURSDAY
2S FRIDAY

CURRICULUM SNAPSHOT

Class Contacts

2C Karen Coggan: kcogg4@eq.edu.au
2N Jamie Nahill: jnihi0@eq.edu.au
2S Roslyn Schier: rschi39@eq.edu.au

YEAR TWO - TERM TWO

OTHER LEARNING AREAS

HASS: Students will explore the location and significant features of places and consider how people are connected to these and why they should be preserved.

Music: Students will change the lyrics to a known song to create a song about saving the environment in a small group. They will then respond to music that they have created, performed, and listened to (Miss Jess McDonald).

HPE: Students will learn to perform the fundamental movement skills of two-handed throwing, two-handed catching, soccer dribbling and basketball dribbling in a variety of movement situations. They will also test alternatives to solve large ball challenges and identify how the heart reacts to different physical activities (Miss Aggie Dalton).

Digi-Technologies: Students will continue to describe and represent a sequence of steps and decisions to solve simple problems in non-digital and digital contexts. They will also develop foundational skills in systems and computational thinking (Mrs Kate Crawford).
